5 volumes

DCD/C/A1 1660-1696

As well as recording installations of deans and prebendaries, and enthronements of bishops, the volume includes items relating to the appointment of other statutory positions, including almsmen, singing men and king's scholars (grammar school boys). Other items include:

- acts relating to the replacement of the chapter seal
- acts relating to prebendaries' stipends and residences
- act of parliament authorising the Marian statutes
- letter from Charles II relating to augmentation of certain stipends
- record examination of a prebendal house (ruinous and requiring rebuilding)

See loose list of contents at front of volume (f i-ii, ? 19th century).

ii + 91 folios

DCD/C/A2 1700-1755

List of contents at front (p i-ii). Loose at front is an envelope containing notes of a legal brief marked "Shrewsbury peerage," apparently relating to the production of this item in the case (in House of Lords).

ii + 135 pages (two pages numbered 97)

DCD/C/A3 1757-1791

Plus 3 loose sheets at front, viz rough list of deans from Dissolution to 1787, list of deans and prebendaries 1758-1789 (with notes of their other spiritual posts) and chronological list of (?) installations of deans and prebendaries, with note of who was present on each date.

iv + 284 pages

Registers of baptisms, marriages and burials

DCD/C/B 1609-1812 and 1836

3 volumes

The registers are published in George J. Armytage, *The baptismal, marriage, and burial registers of the Cathedral Church of Christ and Blessed Mary the Virgin at Durham, 1609-1896* (Harleian Society Registers, 23, 1897).

Note that the registers are numbered differently by Armytage, viz "vol I" (as DCD/C/B1), "vol II" (combines DCD/C/B2-3) and "vol III" (1813-1896 baptisms and burials, 1883-1896 marriages). The entries from Armytage's vol III ought to be (and probably are) entered in three separate registers, all of which are still in the custody of the cathedral.

All three volumes microfilmed by the Genealogical Society of Utah, August 2001 (film roll number 228)

Related material in other DUL collections: Later registers (post-1813 baptisms and burials and post-1837 marriages, though note that Armytage records no marriages between 1837 and 1882) are still in the custody of the cathedral. Contact the Sacrist and Succentor for any queries. They are published by Armytage (as below) for the period to 1896. A photostat copy of the burials register is kept in the searchroom at 5 The College, containing entries up to 5 January 1982 (including burials in the burial ground on Potter's Bank), though the original register may include later entries also.

DCD/C/B1 1609-1723

Baptisms, 1609-1720; marriages, 1611-1723 (in groups scattered through register, many entered as if working from the back of the volume; burials, 1612-1678. Arranged thus:

Baptisms, 1609-1720: f 7v-13v

Marriages, 1610/11-1702: f 2r-7v

Marriages, 1702-1715: f 28v-33v (in reverse)

Marriages, 1715-1722: f 16r-21v

Marriages, 17[22]-1723: f 13v-15v (in reverse)

Burials, 1611/12-1678: f 22r-28v

Although the title page (f 1) is dated 1598, the earliest entry in the volume is for 1609. The paper cover lists the baptisms as starting in 1611, although there are also entries for September 1609 and February 1610/11.

Binding: Paper covers are probably contemporary (at least pre-1752, judging by the use of old-style dates), the back cover being used as a title page (working in reverse).

Rebound in grey boards.

33 folios

DCD/C/B2 1678-1812

Burials, 1678-1812: f 1r-17v

Affidavits re burials in wool, 1678-1689/90: f 1r-6v

Baptisms, 1726-1812: f 1rev-6rev (from back of volume)

Binding: leather-covered boards, repaired 20th century

v + 42 folios, plus iii + 6 folios in reverse from back of volume

DCD/C/B3 1723-1754 and 1836

Marriages, 1723-1754, plus one for 1836

Most marriages from 1752 include reference to a marriage licence. The single 1836 entry notes that it is also registered in Durham St Mary-le-Bow, and refers to the special licence. For much of the 19th century at least, the cathedral was not licensed for the solemnisation of marriages. Even following its licensing (? 1882, judging from the marriage registers), couples require a special licence from the archbishop of Canterbury before they can be married in the cathedral, if not resident within the cathedral precincts.

Binding: original leather-covered boards

50 folios (f.12-50 blank)

DCD/C/B4 2 January 1942

Archbishop's licence for marriage in Durham Cathedral of Adolphus Benjamin Parry-Evans and Blanche Owen

Diary Committee records

DCD/C/R 2004-2011

Diary Committee brought together the Head Verger, Steward (employee role, not volunteers) and other senior officers. It produced a weekly calendar of events within the Cathedral and precincts. Although not technically records of the Vergers or Precentor, these are listed here for convenience. Compare service schedules at DCD/C/J and Stewards' diaries at DCD/C/P (of which 1998-2004 diaries belong properly to the Steward employee role).
