Presented by Mrs L.I. Espeland, 1958

Arrangement

1. Photographic Material
2. Printed Material

Form of citation

Material in the Sudan Archive is given a reference number, which is unique across the collections of papers. Usually it is not necessary to give the name of the person or organisation within which collection the item is found, although it may be convenient to do so.

The short form of citation should be GB-0033-SAD *reference number*

Most printed references take the form: SAD *reference number*.

1. Photographic Material

- SAD.1/4/1-17 [c.1912 - 1921]
